E-learning

## Why choose us?

Discover why over 5,000 businesses worldwide choose British Safety Council to support their business.

Membership gives you access to up-to-date information, practical resources, training aids and the support you need to be aware of your duties, save time, raise standards, ensure legal compliance and help to meet Five Star Audit and ISO certification requirements.

### Knowledge

#### Free e-learning places

Foundation level, fully mobile optimised e-learning for your employees. The most efficient way of increasing awareness of basic health, safety and environmental management.

#### Safety Management magazine, e-newsletter and website

Keep up-to-date with the latest news and developments which can contribute to your continuous professional development (CPD). Articles and case studies are frequently used to form business cases and raise awareness in boardrooms.

#### Diagnostic tools

Assess the current health and safety situation of your business.

### Support

Your benefits are easily accessible via an online member account. We guide you through the many services available to ensure you get the most out of your membership.

#### Safety Network | Croner-i

Find the answer fast with an online repository of comprehensive, up-to-date information, legislation tracker, fact sheets, model policies and templates.

#### NEW HR Network | Croner-i

Access an unrivalled bank of downloadable policies and procedures, letter templates, employment calculators and much more.

#### 24/7 health, safety and HR hotlines

Powered by Croner-i get unlimited access to tailored, expert advice and guidance from highly qualified and experienced health, safety and HR professionals and solicitors.

#### eAlert

Protect your business with the latest legislation updates. Weekly e-alerts on the latest health, safety and HR topics will keep you abreast of what's new.

#### Posters, guides and templates

Build awareness programmes with themed articles, posters and guides.

Safety Network | Croner-i

## How to become a member

For the best experience we recommend purchasing our full membership package. Discounts are available for multi-year subscription and multi-site membership.

### Growth

#### Member logo and certificate

Attract new customers and display your commitment to health and safety.

#### CPD

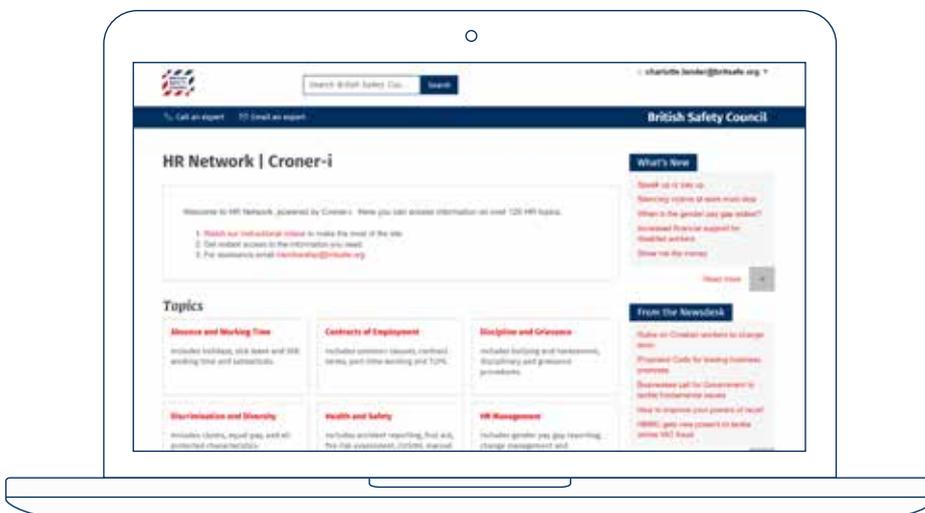

Grow yourself professionally and keep knowledge and skills up-to-date with a wide range of opportunities.

#### Discounts

Enjoy exclusive discounts and save money on essential workshops, events, awards and advertising.

**“Membership of the British Safety Council brings advantages such as easy access to expertise, opportunities for extra awareness and training and up-to-date changes in legislation.”**

Steve Ross, Exhibition and Technical Services Manager, Glasgow Science Centre

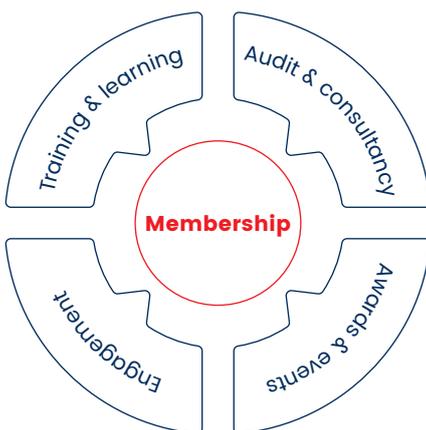

HR Network | Croner-i

# Membership is just the beginning

Discover the full portfolio of services provided by the British Safety Council to keep your workforce as healthy and safe as possible.

Membership is at the heart of everything we do. It can lead to prestigious, globally recognised awards such as an International Safety Award, which can provide a competitive edge for your organisation.

## Training and learning

We offer a comprehensive suite of training and qualifications in health, safety and environmental management in the classroom and online. We educate people all over the world to help them improve their knowledge and skills in health, safety and environmental management.

Find out more at:  
[www.britsafe.org/training-and-learning](http://www.britsafe.org/training-and-learning)

## Engagement

We continually engage and work with members and others to protect people and enable businesses to thrive, whether promoting awareness raising campaigns; advocating policy positions and research or acting as a platform to share insights and inform consultations.

Find out more at:  
[www.britsafe.org/engagement](http://www.britsafe.org/engagement)

## Audit and consultancy

Our audit and consultancy services are internationally recognised and are the most effective way to ensure your safety, health and environmental management systems reflect and exceed relevant legislative requirements.

We have a range of audit and consultancy services to support you at every step of the way to achieve your goals.

Find out more at:  
[www.britsafe.org/audit-and-consultancy](http://www.britsafe.org/audit-and-consultancy)

## Awards and events

Through our awards, we set health and safety standards and celebrate best practice. We also hold a range of professional events, including conferences and workshops, designed to keep the community of health, safety and environmental practitioners up to speed on industry best practices. These offer a variety of opportunities for professional development and are excellent places for networking.
