

James Lewis
*Head of Audit and
Consultancy*
British Safety Council

James is a leading Chartered Safety, Health and Wellbeing Practitioner. With over fifteen years of practical experience working in both the public and private sectors, he holds a Master's Degree in Occupational Health, Safety and wellbeing.

James has most recently held senior health and safety positions within the Walt Disney Company and global food delivery giant Deliveroo and now heads up the Audit and Consultancy department at the British Safety Council.

James was the second youngest person to achieve Chartered status with IOSH and the founding member of the IOSH Theatre Advisory Group; specialising in the management of noise and use of technology. James is currently leading projects to help identify proportionate approaches to managing musician's exposure to noise.
