## Why choose us?

Over 5,000 businesses worldwide choose British Safety Council to support their business.

Membership gives you access to up-to-date information, practical resources, training and the support you need to be aware of your duties, save time, raise standards, ensure legal compliance and help to meet ISO certification requirements.

### Knowledge

#### Free online training places

Fully mobile optimised online training for your employees. The most efficient way of increasing awareness of health, safety and environmental management.

#### Safety Management magazine, e-newsletter and website

Keep up-to-date with the latest news and developments which can contribute to your continuous professional development (CPD). Use our articles and case studies to form business cases and raise awareness in your boardroom.

#### Diagnostic tools

Assess the current health and safety situation of your business.

### Support

Your benefits are easily accessible via an online member account. We guide you through the many services available to ensure you get the most out of your membership.

#### Safety Network | Croner-i

Find the answer fast with an online repository of comprehensive, up-to-date information, legislation tracker, fact sheets, model policies and templates.

#### 24/7 health and safety advice

Powered by Croner-i, get unlimited access to expert advice and guidance from highly qualified and experienced health and safety professionals.

#### Posters, guides and templates

Build awareness programmes with access to themed articles, posters and guides online.

Safety Network | Croner-i

International Safety Awards Gala Dinner

## Membership is just the beginning

Discover the full portfolio of services provided by the British Safety Council to keep your workforce as safe and healthy as possible.

### Training and learning

We educate people all over the world to help them improve their knowledge and skills in health, safety and environmental management.

Learners can now experience the future of training with our new virtual reality risk assessment exercise.

Find out more about our online and in-company training:  
[www.britsafe.org/training-and-learning](http://www.britsafe.org/training-and-learning)

### Audit and consultancy

Our internationally recognised audit and consultancy services are the most effective way to ensure your safety, health and environmental management systems exceed legislative requirements.

Find out more at:  
[www.britsafe.org/audit-and-consultancy](http://www.britsafe.org/audit-and-consultancy)

### Engagement

We continually work with our members and others through promoting awareness, campaigns and advocating policy positions to help enable businesses to thrive. Our most recent campaigns include The Future of Work and Time to Breathe.

Find out more:  
[www.britsafe.org/engagement](http://www.britsafe.org/engagement)

### Awards and events

We hold two internationally recognised award schemes every year to celebrate excellence in health and safety. We also hold a range of professional events, including member only receptions and workshops designed to help you stay up to date with the industry.

**No-one should be  
injured or made ill  
through their work.**

We look forward to working  
with you to achieve this goal.

**“We joined as a member of the  
British Safety Council because  
it is a source of information  
and support, and because it  
is a means of demonstrating  
our commitment to improving  
our health and safety.”**

**Paul Haxell, Group Health,  
Safety and Environment Director,  
Bovis Homes Ltd.**
